* The actual value represents the RRPT transacted from 15 May 2025 up to the LPD. The aggregate actual values transacted did not exceed the estimated values by ten percent (10%) or more.

The estimated values for the RRPT are determined by management of Eversafe Rubber. The actual values transacted may vary from the estimated values stated herein.

2.3 Amount due from and owing by Related Parties pursuant to the RRPTs

As at FYE 31 December 2025, there was no amount due and owing by the Related Parties pursuant to RRPTs that has exceeded the credit terms. The Board is of the opinion that there are no recoverability issues in relation to RRPTs.

2.4 Review procedures

The Eversafe Rubber Group has established the following procedures to ensure that the RRPTs, where possible, are undertaken on transaction prices at arms' length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the related parties than those generally available to the public and are not detrimental to Eversafe Rubber's minority Shareholders.

There are no specific thresholds for the approval of RRPTs. All RRPTs will be reviewed and approved by the Audit Committee, who subsequently recommend it for the approval of the Board (with the exception of Directors deemed interested in each RRPT) or employees identified as our Group's key senior management (not being a Person Connected to the related party) designated by the Audit Committee, from time to time for such purpose. Approval of the Audit Committee and the Board is deemed obtained once majority approval of the respective non-interested members have been obtained.

The Eversafe Rubber Group has established the following procedures in relation to the RRPT:-

- (i) the relevant employees of the Eversafe Rubber Group are notified of the identities of the related parties and will be required, prior to entering into such transaction, to ensure that all the RRPTs are consistent with the Eversafe Rubber Group's normal business practices and policies, on terms not more favourable to the related parties than those generally available to the public and not detrimental to the minority Shareholders;
- (ii) at least 2 other contemporaneous transactions with unrelated third parties for similar products / services and/or quantities will be used as a comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products / services and/or quantities. In the event that the quotation or comparative pricing from unrelated third parties cannot be obtained (*for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item*), the terms of the transactions for the products or services will be in accordance with usual business practices of the Eversafe Rubber Group;
- (iii) records will be maintained by the management of Eversafe Rubber to capture all RRPTs entered into pursuant to the Proposed Renewal of Shareholders' Mandate;
- (iv) additional information pertaining to the RRPTs may be requested from independent sources or advisers, if required;
- (v) in accordance to the Listing Requirements, disclosure in relation to the breakdown of the aggregate value of the RRPTs entered into during the financial year will be made in the annual report;
- (vi) the Audit Committee will review all RRPTs every quarter, with a detailed review of RRPTs exceeding RM1.0 million; and
- (vii) the Audit Committee will consider, from time to time, whether the established guidelines and procedures for RRPTs have become inappropriate and/or it is unable to ensure that the transactions will be on normal commercial terms and/or will prejudice the interests of Shareholders generally. Notwithstanding that, the guidelines and procedures for RRPTs will be reviewed by the Audit Committee at least once in a financial year.

2.5 Statement by Audit Committee

The Audit Committee has reviewed the procedures mentioned in Section 2.4 of this Circular and is of the view that the procedures are sufficient to ensure that the RRPTs are not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority Shareholders and that the Eversafe Rubber Group has in place adequate procedures and processes to monitor, track and identify the RRPT in a timely and orderly manner.

The Audit Committee conducts a review of the procedures and processes on a yearly basis or such frequency as the Audit Committee considers appropriate having regard to the value and frequency of the RRPTs.

2.6 Validity period of the Proposed Renewal of Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate, if approved by the Shareholders at the forthcoming AGM, will take effect from the date of the passing of the resolution at the forthcoming AGM and shall continue to be in force until:-

- (i) the conclusion of the next AGM of the Company following the forthcoming AGM at which the Proposed Renewal of Shareholders' Mandate is passed, at which time it will lapse, unless the authority is renewed by a resolution passed at the next AGM;
- (ii) the expiration of the period within which the next AGM of the Company is required to be held pursuant to Section 340(2) of the Act (*but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act*); or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

3. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

By obtaining the Proposed Renewal of Shareholders' Mandate and the renewal of the same on an annual basis, the Company would eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when such RRPT occur. This will reduce administrative time and expenses in convening such meetings without compromising the corporate objectives of the Eversafe Rubber Group or adversely affecting the business opportunities available to the Eversafe Rubber Group.

The Proposed Renewal of Shareholders' Mandate is intended to facilitate transactions in the ordinary course of business of the Eversafe Rubber Group which are transacted from time to time with the Related Parties.

The Eversafe Rubber Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Eversafe Rubber Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate does not have any effect on the issued share capital of the Company and substantial Shareholders' shareholdings in the Company. It is also not expected to have any material effect on the net assets per share, gearing and earnings per share of the Group.

Nevertheless, the Proposed Renewal of Shareholders' Mandate is in relation to transactions which relate to the Group's day-to-day operation and hence may contribute positively to the Group's financial performance.
