Description	EVERSAFE RUBBER BERHAD (ERB OR THE COMPANY) - DISTRIBUTORSHIP AGREEMENT FOR DISTRIBUTION OF ZEISS INTACT TIRE INSPECTION SYSTEMS

The Board of Directors of Eversafe Rubber Berhad (“**ERB**”) is pleased to announce that its wholly-owned subsidiary, Eversafe Trading Sdn Bhd (“**ET**”) has on 3 July 2017, entered into a Distributorship Agreement with Carl Zeiss Optotechnik GmbH (“**ZEISS**”), a company duly incorporated in accordance with the laws of Germany, for the appointment of ET as the distributor of ZEISS’s INTACT Tire Inspection Systems and related spare parts (“**Products**”) within Malaysia, Singapore, Thailand, Vietnam, Philippines, Laos and Cambodia on an exclusive basis as well as Australia, New Zealand, Indonesia and, Japan on a non-exclusive basis (“**Distributorship**” or “**Distributorship Agreement**”). The INTACT Tire Inspection Systems, equipped with shearography technology, provide non-destructive testing and inspection of tyres and are used by retreaders and new tyre manufacturers around the world to identify defects in tyre casings prior to the retreading process.

ET is principally involved in trading of rubber-based products, equipment and related accessories.

The Distributorship Agreement shall remain effective until 2 July 2022, unless otherwise terminated by both parties in accordance with the terms and conditions as stipulated in the Distributorship Agreement.

The Distributorship is expected to contribute positively to the earnings of ERB group over the period of the Distributorship Agreement.

None of the Directors, major shareholders of ERB and/or persons connected to them have any interest, direct or indirect, in the Distributorship Agreement.
